

# WHY I BELONG TO CTSSA

## EDUCATION

Being a member of CTSSA has allowed me to seek additional insight in the storage industry as a whole. Through local gatherings I can meet with peers, attend educational seminars and meet with vendors. I am a more educated owner because of this, which means our business is better managed all the way to the bottom line. – *Brian Riva, Owner, Stor-It-All, Inc.*

## NETWORKING

By attending the CTSSA programs, I have a better understanding of the self storage industry. I successfully network with CTSSA members, both as a sponsor where I can speak to the entire group, and more informally during the luncheons where I build personal relationships. – *Diane Vizzo, Hillcrest Agency, LLC*

## ADVOCACY

As an owner of four self storage facilities in Connecticut, I appreciate the results the CTSSA has achieved on my business' behalf at the State level. The CTSSA defeated an automatic invoicing bill that would have added thousands to my annual expenses. I can't afford not to support an organization that works so hard to protect my business interests. – *J.R. Clisham, Owner, Connecticut Self Storage, LLC*
